SUPPORT ANIMAL CARE WITH THE ROYAL

At the Royal we're all about wholesome, traditional values. Independent businesses supporting their local communities & promoting charitable causes is a long standing British tradition that we're proud to continue. That's why we've teamed up with Lancaster based charity, 'Animal Care' and are helping support their admirable efforts in caring for and re-homing desperate animals. Because we love animals (although admittedly we do have to put a few in the oven), 25p from the sale of every dessert will go to Animal Care. Your money will go directly to helping vulnerable animals who've fallen on tough times. Thank you!
